

GENERAL ADMINISTRATION & SACS APPROVALS/NOTIFICATIONS

TIMEFRAME:

UNC Board of Governors meet seven times during the academic year. Documents are to be submitted to GA one month prior to the meeting.

SACS meetings for level changes and merger/consolidations applications are twice a year (December and July) and documents are due April 8 and September 15. Most other deadlines for other types of substantive changes are at least six months prior to implementation. The earlier the better.
